Note from the CEO

Kedner Stiven

Dear friends of KSF,

During this time of tremendous change, we want you to know that our main focus hasn't changed. At KSF, we are still doing what we've always done: helping the children.

We are dedicated to helping those little ones of getting an adequate education and feeding them as well and we will be sending you up-to-date necessary changes as soon as we could—so you can be one of the first to know.

On behalf of our entire team, I say thank you and welcome to all new KSF members. Let's tackle our BIG dream together.

Note from the Executive Secretary

Sheila Louis

Welcome to our KSF students!

We missed you. We are ready to make the world a better place.

I can't wait to see your smiley faces in the classroom again for a great year filled with learning new things, working together and having a lot of fun. When you enter the classrooms, you are incredible, you are important, you are a leader, you are explorers, you are scientists, you are doctors, you are nurses, you are professionals, you are creative, you are friends, you are teachers, you are unique, you are authors, you are readers, you are loved.

You are the reason we are here.

Work for a cause, not for the applause. Live life to express so as not to impress. Don't try to make your presence noticed. Just make your own.

Proverbs 22V6

Train a child in how he should be and when he is old, he will not stray from it.
